Hello:

Here are the latest Past Due Actions Report and GPRA Measure Consistency Report as of Tuesday, November 1, 2011. As Cerclis is decentralized in Region 6, I understand that RPMs are not responsible for updating all of the actions in Cerclis. So, I have included Removal, Enforcement/Cost Recovery, Site Assessment, Community Involvement and Budgets/Contracts Managers so that they can review and update the actions that they are responsible for.
